and Trademarks  
Washington, D. C. 20231

Sir:

On April 12, 1994 Applicants filed the above-identified Continuation-In-Part application, together with a Preliminary Response. On or about June 10, 1993 a Filing Receipt was received from the U.S. Patent and Trademark Office. Since that time we have received no response to the application and the present status of this case is respectfully requested.

Respectfully submitted,

M. John Carson  
Registration No. 25,090

Docket No. 5236-101C1
